[January 2021 so far has been more like 2020 than we had hoped. With no news for upcoming Optimist Club events we will go straight to the President’s Letter. —The Editor]

Greetings Fellow Optimists,

We successfully completed our annual Christmas Tree fundraiser in record time, and while maintaining strict COVID guidelines. We began sales on Friday, November 27 and ended on Thursday, December 10 having sold close to 600 trees safely and profitably. One pleasant surprise was the huge increase in tips we received from our generous customers who, apparently, found it much easier to give a little extra when using their credit cards.

I am so grateful to all those who helped with the lot this year so that we could raise enough funds to cover all of our programs that are feasible for the coming year. Special thanks go out to our team captains: Tom Spengler, Jeff Johnson and Dick Gongaware as well as Dick Lippert for all his advance preparation and advice as well as continuous support at the lot. Rich Ordeman was invaluable with planning, composing our lot design and lumber needs and helping with set up and takedown. Gary Moonan and Dan Gropper set up and maintained our “Square” credit card terminal which proved to be so successful. In addition, Dan rewired our drill so we wouldn’t run the risk of electrocution!

We had a great turnout to set up the lot with many A-frames to be built. I’m still amazed at the skill with which Steve Bukont handled his circular saw. Still has all his digits. I also have to acknowledge Grant Marsh and his merry men from Merrill, Greta Tosi-Miller, Michele Wright, Kathy Cutri and Susan Bauer for many shifts as cashier and our newest members Greg Leland and Tim Copeland for pitching in as well. Last, but not least, a special shout out to John Andrews for his help in moving the trailer to and from the town lot, and installing our lighting and music. Please forgive me if I left someone out who should have received special recognition but, suffice it to say, this was a great team effort that should make us all proud to be part of the Optimist Club of Greater Vienna.

Finally, I would like to recognize the typically fine job Mike Fitzella and Ed Wonder did for our Carol Waite Brennan awards program on December 2. This was another successful awards program via Zoom (and hopefully getting closer to our last) with six students and their teachers/counselors able to participate and be recognized. Thanks also to our tech-meister Gary Moonan for facilitating the meeting. Hope this letter finds everyone well and energized to make this a great 2021!

Optimistically yours, President Tom

The Optimist Creed
Promise Yourself . . .

To be so strong that nothing can disturb your peace of mind.
To talk health, happiness and prosperity to every person you meet.
To make all your friends feel that there is something in them.
To look at the sunny side of everything and make your optimism come true.
To think only of the best, to work only for the best, and expect only the best.
To be just as enthusiastic about the success of others as you are about your own.
To forget the mistakes of the past and press on to the greater achievements of the future.
To wear a cheerful countenance at all times and give every living creature you meet a smile.
To give so much time to the improvement of yourself that you have no time to criticize others.
To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
