**MARKET POLICIES DURING COVID-19 CONDITIONS**

=====

**MASKS REQUIRED-NO EXCEPTIONS + CUSTOMER DENSITY:** The Market volunteers are monitoring the market closely specifically for customer density to ensure vendors and customers follow our social distancing policies. We will always err on the side of caution. We have a NO EXCUSE policy with our vendors and customers. Anyone violating any of these policies will be asked to leave the market.

**NO CUSTOMER BROWSING:** No Browsing the market as they have traditionally done. Only 1 customer can shop at a vendor's booth at a time.

**NO ON-SITE FOOD CONSUMPTION:** All prepared foods must be packaged to go.

**PRE-PAY:** Customers are encouraged to pre-order/pay for items ahead of time as much as possible.

**ONSITE PURCHASES:** Cash transactions discouraged. Credit cards - customers inserts/swipes their own card.

**MINIMIZE CHIT-CHAT:** We encourage customers to make their purchases then move on, keeping conversations to a bare minimum.

**VENDORS**

=====

**PROTECTIVE MASKS AND GLOVES ARE MANDATORY:** All vendors must wear protective masks and gloves the entire time they are at the market.

**PROVIDE HAND SANITIZER:** Provide hand sanitizer for your customers and staff.

**BAG CUSTOMER PURCHASES:** Vendors must bag products for their customers to reduce touch points.

**BOOTH ADJUSTMENT:** Vendor booth placements adjusted for more spacing between vendors for adequate social distancing.

**ONE AT A TIME:** Only 1 customer can shop at a time. Remind customers to leave 6-foot distance. This will be strictly enforced!

**NO PRODUCTS ON DISPLAY:** Vendor products cannot be on displayed for customers to handle, only displayed on a back table.

**NO SAMPLING:** No on-site food consumption or sampling is allowed. All prepared foods must be packaged to-go.

**STAY BEHIND TABLE:** Vendors MUST stay behind their tables with their products behind them for the entire market.
